Sponsorship by PRSignature is limited to individuals who act and conduct themselves in a professional manner at all times and are ambassadors to the sport of archery and for the companies they represent including PRSignature.

I understand sponsorship is for the express purpose of the sale and promotion of the PRSignature line of products and to help increase sales for PRSignature. Shooter is required to display the PRSignature logo on archery clothing, either on shirt or hat. Products purchased or given by PRSignature are for the express use by the shooter and may not be resold for any profit. This contract, if approved, expires in one year from the date of acceptance. PRSignature has the right to withdraw its sponsorship at any time for any reason.

I understand and agree to abide by these required standards. I agree to provide PRSignature these following services during this year to help promote PRSignature sales.
